

Outsourced Payroll Management

Professional, High Quality Service delivered by Payroll Experts

Paying your employees accurately and on time is essential to the success of your company. Yet payroll processing is complicated and takes a lot of time. However for most small and medium enterprises (SMEs), the cost of an in-house payroll professional does not make financial sense.

Clarigen are here to help. Our expert payroll team offer comprehensive Outsourced Payroll Management. We take care of all aspects of payroll, including deductions, tax calculations and compliance obligations so that you can concentrate on core aspects of your business. Whether it's a matter of convenience and saving time or reducing the risks of over/underpayment of PAYE/ PRSI, interest and penalties, it makes sound business sense to outsource your payroll to Clarigen.

Working With You... All The Way

Clarigen's expert payroll team provides a high degree of flexibility to ensure that the payroll service we provide to you, fully meets your needs. We work with you to define the most effective way for us to manage your payroll, adopting processes that integrate seamlessly with your business.

- Fast, flexible payroll support enables you to concentrate on your core business
- Tax returns managed by payroll experts ensures accuracy and eliminates penalties
- Computerised systems provides valuable reports for analysis
- Correct, up to date employee records eases your workload and facilitates compliance
- Full visibility of your payroll costs enables you to plan, budget and control costs better

Dedicated payroll staff are assigned to each client, ensuring a consistent and very personal service.

CLARIGEN

Powerful Benefits you secure by outsourcing to Clarigen

→ **Cost saving:** Clarigen's approach is a very cost effective option. Not only do you eliminate in-house administration costs such as salary, holiday pay, employer PRSI, replacement cover and insurance, but also, the need for software updates, support and training. Working with Clarigen you will significantly reduce the risk of interest, penalties and expensive litigation costs.

→ **The right expertise:** Payroll is our business. You have the benefit of this expertise and no longer have to stay up-to-date with ever-changing tax regulations and employee entitlements. According to The Irish Payroll Association "apart from the negative effect that publication as a tax defaulter can have on a company, an inefficient payroll service can not only lead to costly overpayment to staff and underpayment to Revenue, but can have a disastrously negative effect on employee morale."

→ **Maintain Confidentiality:** Clarigen's fully secure centre ensures your confidential payroll data is backed up and in safe hands.

→ **Enjoy Peace of mind:** When you outsource your payroll to Clarigen, you can rest assured that your employees are paid accurately and on time, every time. In addition, your payroll is legally compliant and your revenue obligations are met.

We offer monthly, bi-monthly, fortnightly, weekly and 4-weekly payroll services for companies of all sizes from 1 employee up!
